LOCAL UNION 879 – ONTARIO TEAMSTERS BENEFIT FUND

Prescription Drug Savings Program

Take advantage of reduced fees on prescription medication, and other value-adds!

Get more from your coverage

As a plan member, you have access to preferred pricing through participating providers.

By filling your prescriptions with the listed providers below, you will have access to lower dispensing fees, lower ingredients cost and exclusive perks from each provider. Over the long-term these savings will be invested back into the benefit plan, making sure members and their eligible dependents can get the best benefit coverage possible.

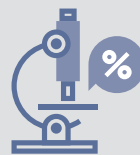

Participating stores provide you with:

LOWER DISPENSING FEES

Avoid the hassle of shopping around for lower fees every time you fill a prescription.

Participating providers provide reduced dispensing fees.

REDUCED PHARMACY MARK-UP

Industry reporting shows pharmacies can charge up to 15-30% above the ingredient cost of the drug.

Participating providers provide a reduced drug mark-up of between 8% and 11%.

Contact your union representative to find out more.
